WARRANTY

In the name and on behalf of the manufacturer, Kidpro, Ivan Pejic s.p. guarantees that:
• the product’s raw material is free from fault and in full compliance with declared specifications;
• the product will not develop any raw material or manufacture fault and will retain all stated characteristics for at least 2 years.

The warranty period starts from the date of delivery of the product to the customer and lasts 2 years from the date.

If the product fails within warranty period, it will be repaired or replaced with the same quality one, at no additional charge within 20 working days starting from the date of the claim.

Warranty disclaimer. Warranty void if:
1. the product is installed incorrectly due to not following the installation manual,
2. the product is damaged due to not following supplied user and installation manual and/or safety precautions,
3. the original product is altered or modified by the third party,
4. the product is used incorrectly (misused),
5. the product is used with negligence,
6. the product is used for purposes other than those it is made for,
7. the product is damaged due to force majeure (earthquake, thunder, fire, storm, hail, etc.).
MAINTENANCE

Product does not require specific maintenance.

If the net gets dirty, clean it with damp cloth. Do not use any chemicals.

Life time of the net depends on specific weather conditions: UV-radiation, heat, cold etc. Check the net once in a while. If it becomes damaged, promptly replace it with a new one.

TECHNICAL DETAILS

The product provides additional protection from accidental fall (for windows, balconies, terraces, stairs, mezzanines) and it has undergone thorough tests by Institute for industrial technology INTI - Argentina, TUV Rheinland® - Argentina and AIDICO - Spain.

Monofilament net

Raw material: monofilament naylon (poliamide) thread

Thread thickness: 0,8 mm
Load capacity: min. 100 kg/m²
Rhombus size: 5 x 5 cm
Lifetime expectancy: 3 - 4 years
Elongation: 55,9 kgf
Tensile strength: 19 kg/mesh
Color: transparent

Anchor strips:
Material: aluminum / polyamid
